

Ref. No. 1260/61E

December 4, 2017

Subject: Commissioning of Subsidiary Company's Ethanol Production Machinery for Testing of Environmental Protection and Safety System

Attn: President  
The Stock Exchange of Thailand

Reference: Company's Letter No. 1160/59E dated November 17, 2017

According to the Ministry of Industry's order to temporarily suspend ethanol production of Thai Agro Energy Public Co., Ltd. ("TAE"), subsidiary company, for 45 days in order for TAE to rectify its treated wastewater ponds that had been damaged due to flood incident and TAE requested for extension period until November 30, 2017, having details in the letter as per reference above.

At present, TAE has announced that "the Suphanburi Provincial Industry Office has approved for TAE to perform the commissioning of ethanol production machinery to test the environmental protection and safety system from November 29, 2017 to December 10, 2017. If the commissioning of ethanol production machinery does not experience any trouble, TAE shall apply for a permission to continue operating the machinery for ethanol production and distribution as normal."

Please be informed accordingly.

Yours faithfully,

For and on behalf of Lanna Resources Public Company Limited
